

Dear Film Club Member

We are again at the time of year when we give our members a chance to vote for next year's films. Please find attached a list of films that the committee has collated over the last few months and which includes many of our member's recommendations. We have already had to reduce a list of over 50 films down to a more manageable number for you to vote on. The attached list includes a brief synopsis of each film, together with other relevant information including ratings from different websites. **However**, we would encourage you all to do your own research as film reviews do tend to vary from site to site.

The Maldon Film Club aims to screen the **best** of recently released English, Independent and Foreign language films. We will endeavour to select and screen films that:

- have not had a wide general release;
- are less than 3 years old, although we will always screen one classic film each season; and
- create a mixed programme of films of different genres and from different regions of the world.

The committee will take due regard of the views of the membership on film selection, but the final programme will be produced in accordance with the criteria above. We have already decided to screen "Fishtank" and "Beyond the Pole", which both have a local connection (at least in terms of actors) to the area.

PLEASE SELECT ONE CLASSIC FILM AND TEN OTHER FILMS YOU WOULD LIKE US TO SCREEN, and return your selections by **Wednesday 14<sup>th</sup> April** (either return this form on a film night, post to Maldon Film Club c/o 36a Market Hill, Maldon, CM9 4QA, or drop us an e-mail to [info@maldonfilmclub.info](mailto:info@maldonfilmclub.info) ).
